

To support capacity building efforts of a new generation of practitioners in the field of international cooperation, the Swiss Agency for Development and Cooperation (SDC) finances a set of posts for Junior Professional Officers (JPO). These positions enable qualified graduates with a first working experience to deepen their knowledge and gain additional field experience. In 2010,

13 JPO positions in development and humanitarian aid

are available. The positions involve up to 6 months of preparation in Switzerland and are followed by a two-year deployment abroad. Assignments are paid and start in September 2010.

Eligibility criteria

- Age group: 1980 – 1984
- Master's degree and a minimum of 2 years' working experience (professional, internship)
- Swiss nationality (C permit not included)
- Knowledge of two official Swiss languages, English, and one other depending on country of deployment
- Specialist qualification in accordance with job description.

Persons who have already received substantial support in other training and trainee programmes financed by SDC are not eligible for this recruitment (NADEL, UNV Internship, SHL and IMAS).

How to apply

cinfo participates in the selection process. Conditions of service and application procedures are available on www.cinfo.ch.

Deadline for application: 30th of March 2010.
